A Note on System Initiatives...

EFX SPO

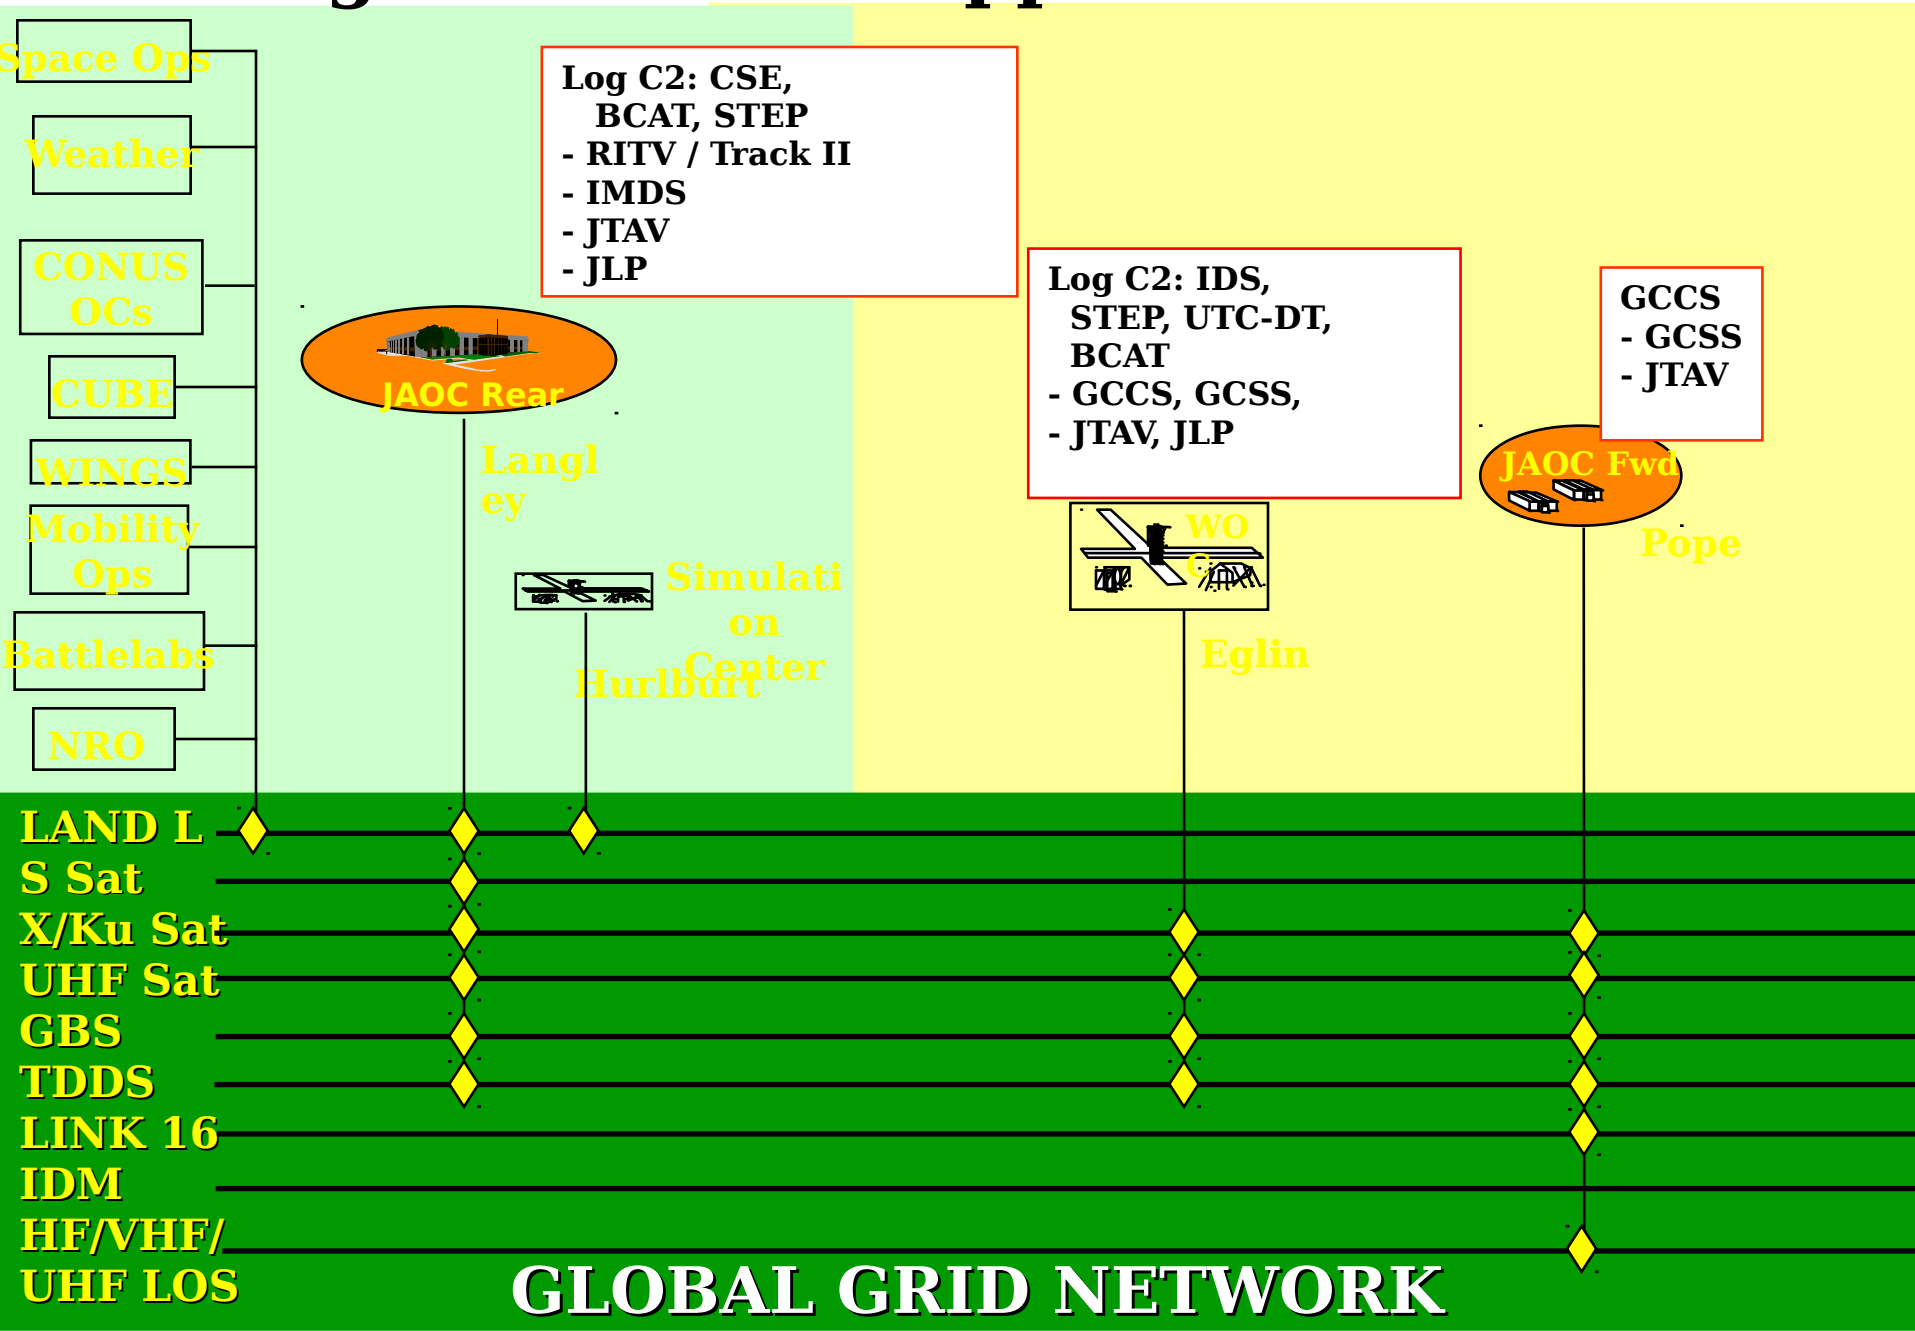

We are going through a continuous spiral development process. Some of the selected Initiatives, or portions thereof, may need further evolution. During this process, we may identify other desired initiatives for functionality and integration to be included in the experiment.

All announcements regarding EFX 98 initiatives will be made on the HERBB site

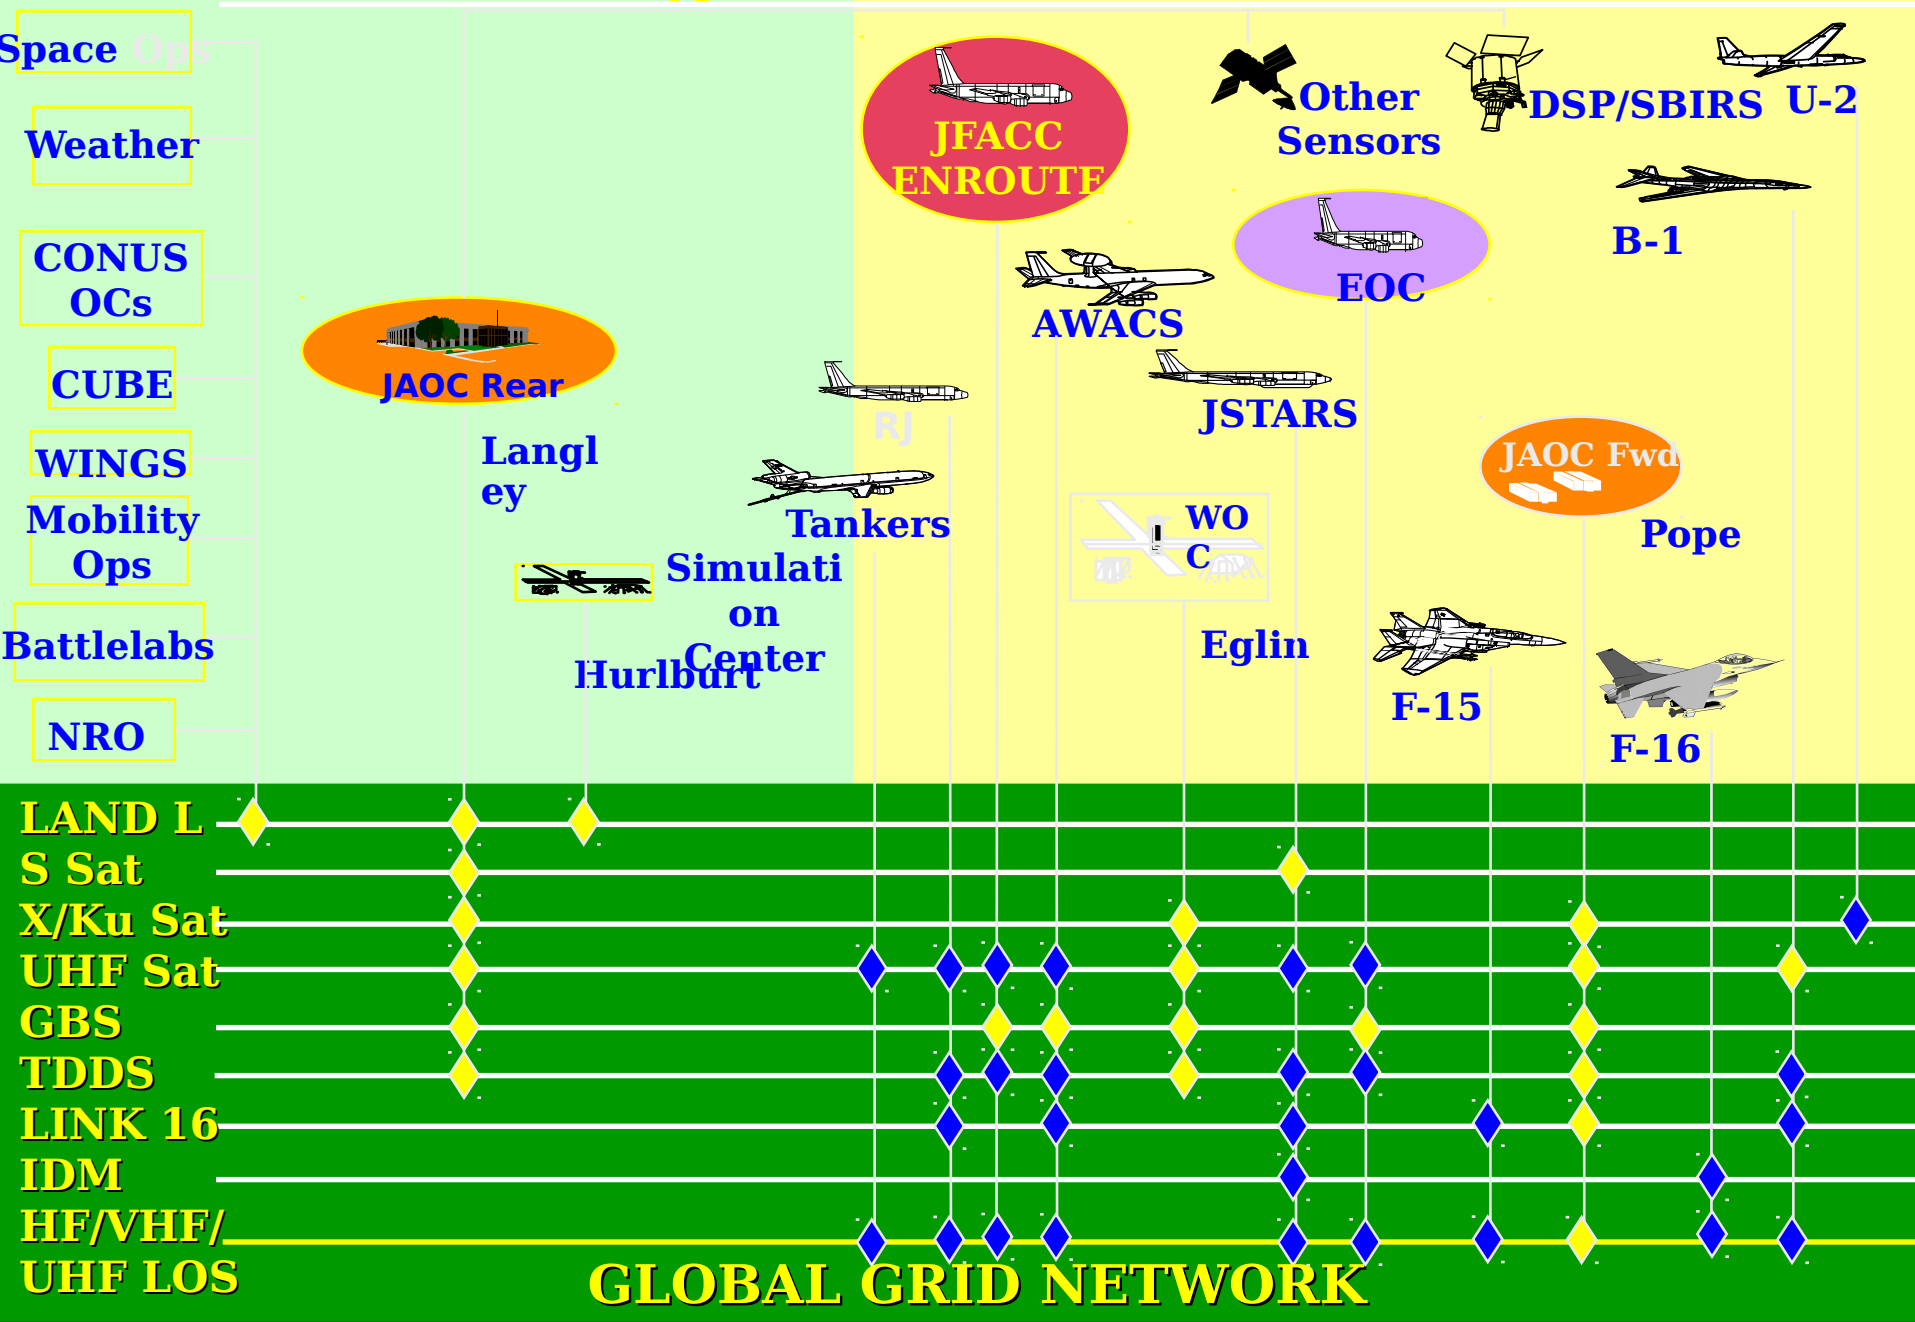

Distributed/Collaborative Operations Initiatives

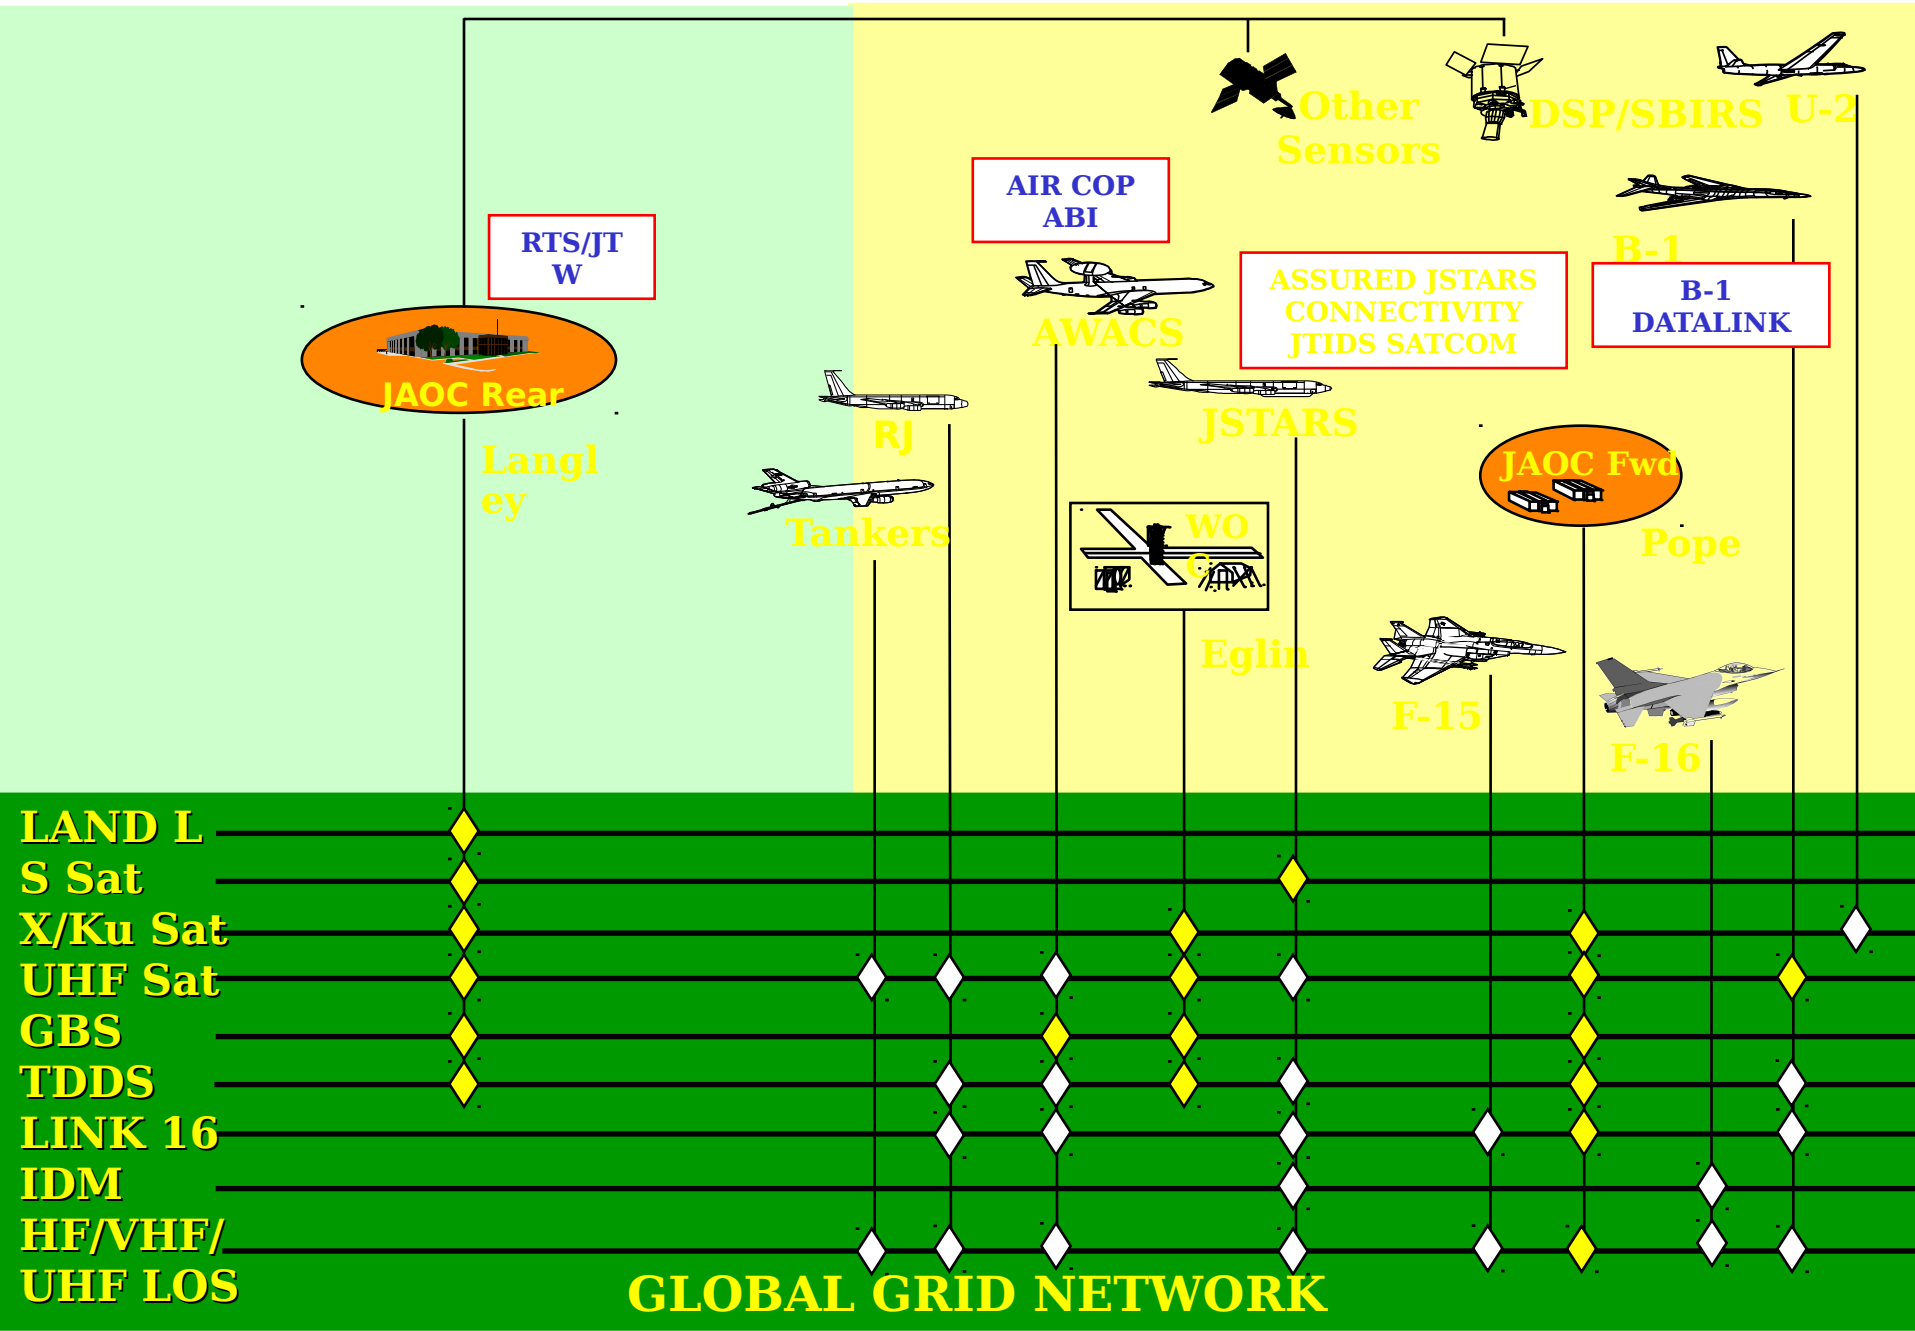

Agile Combat Support Initiatives

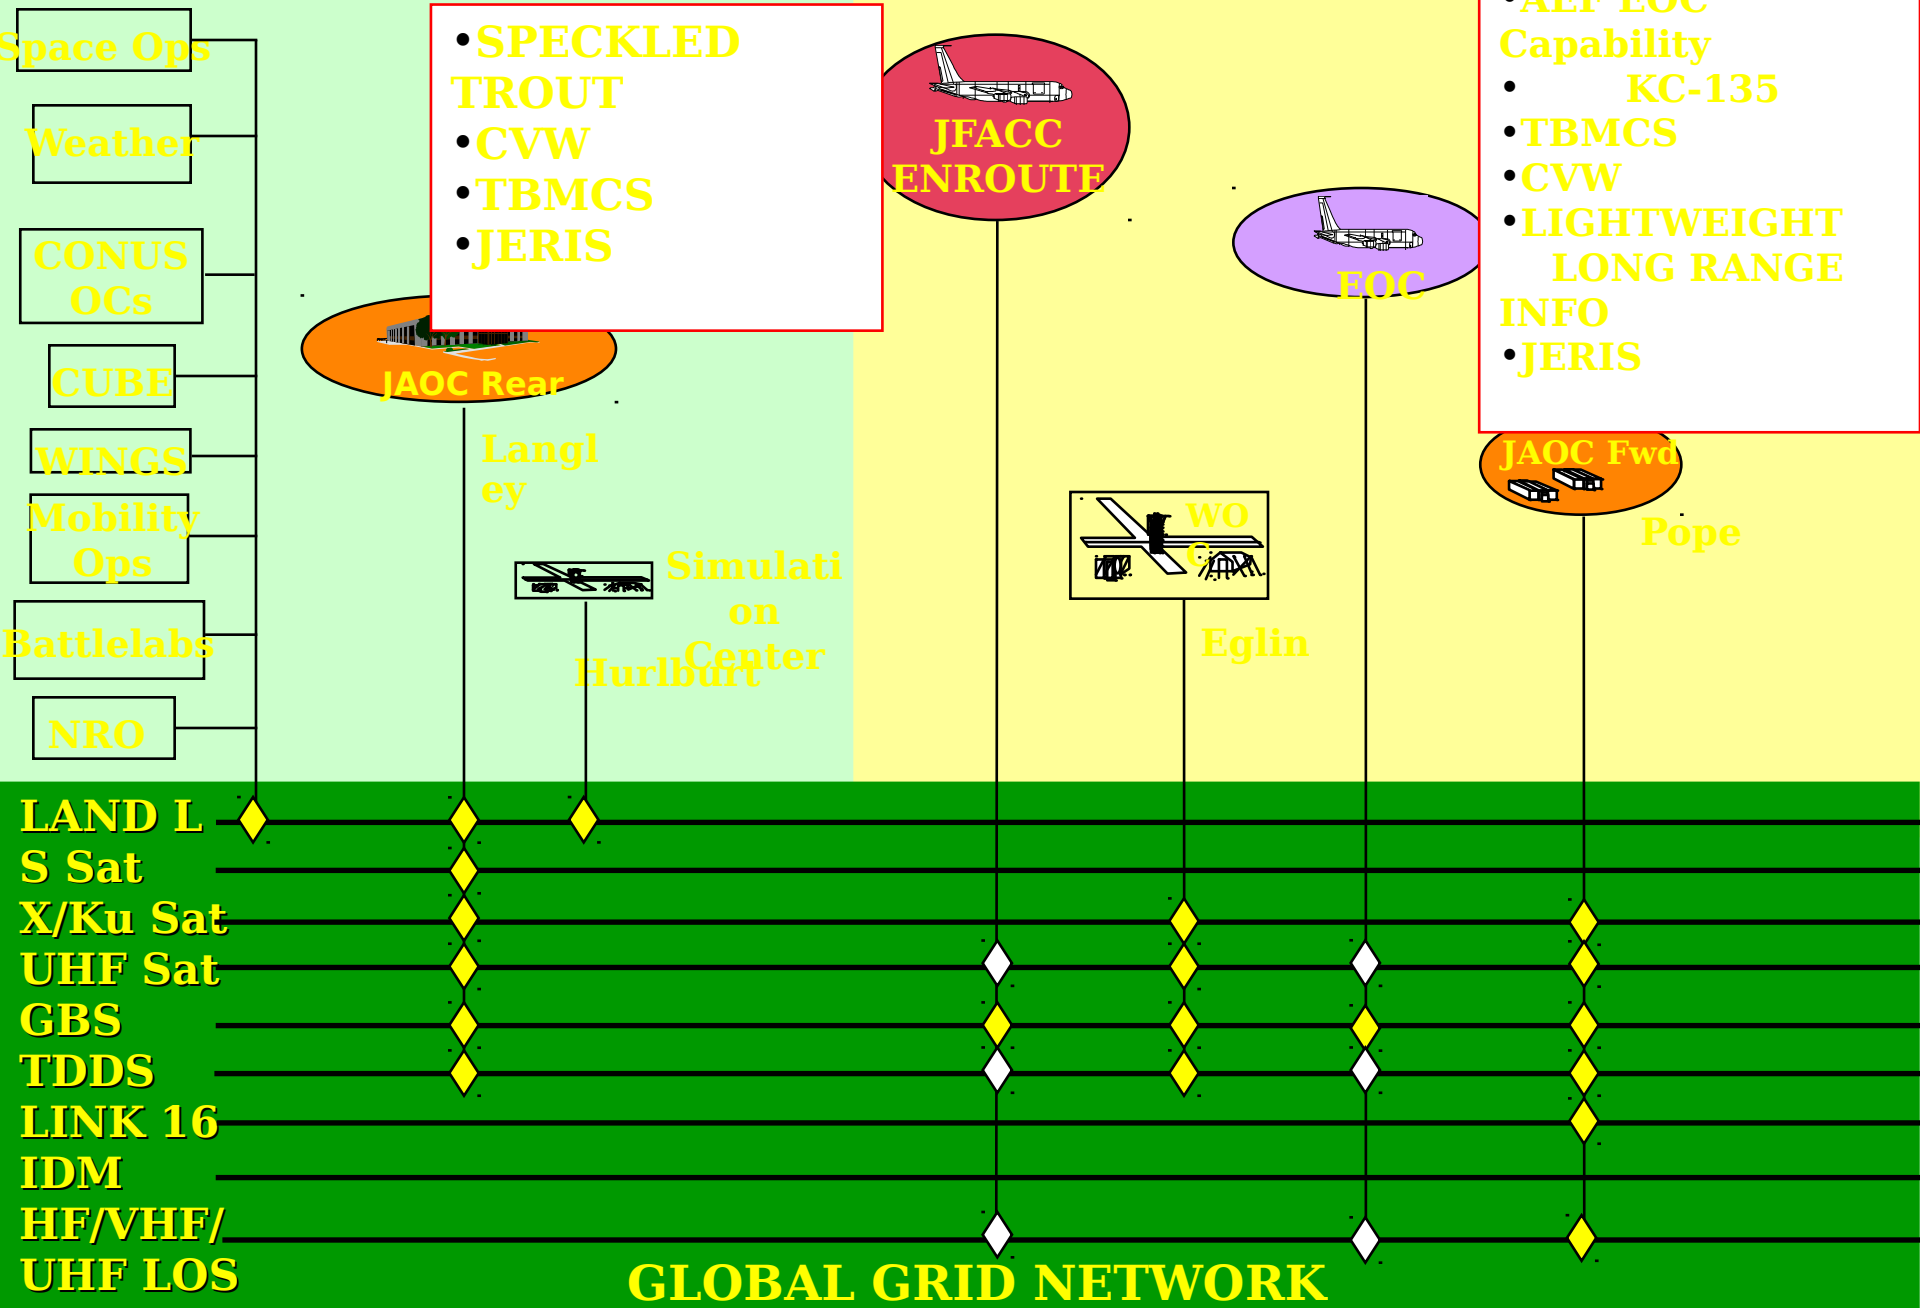

EFX98 Integrated C2 Environment

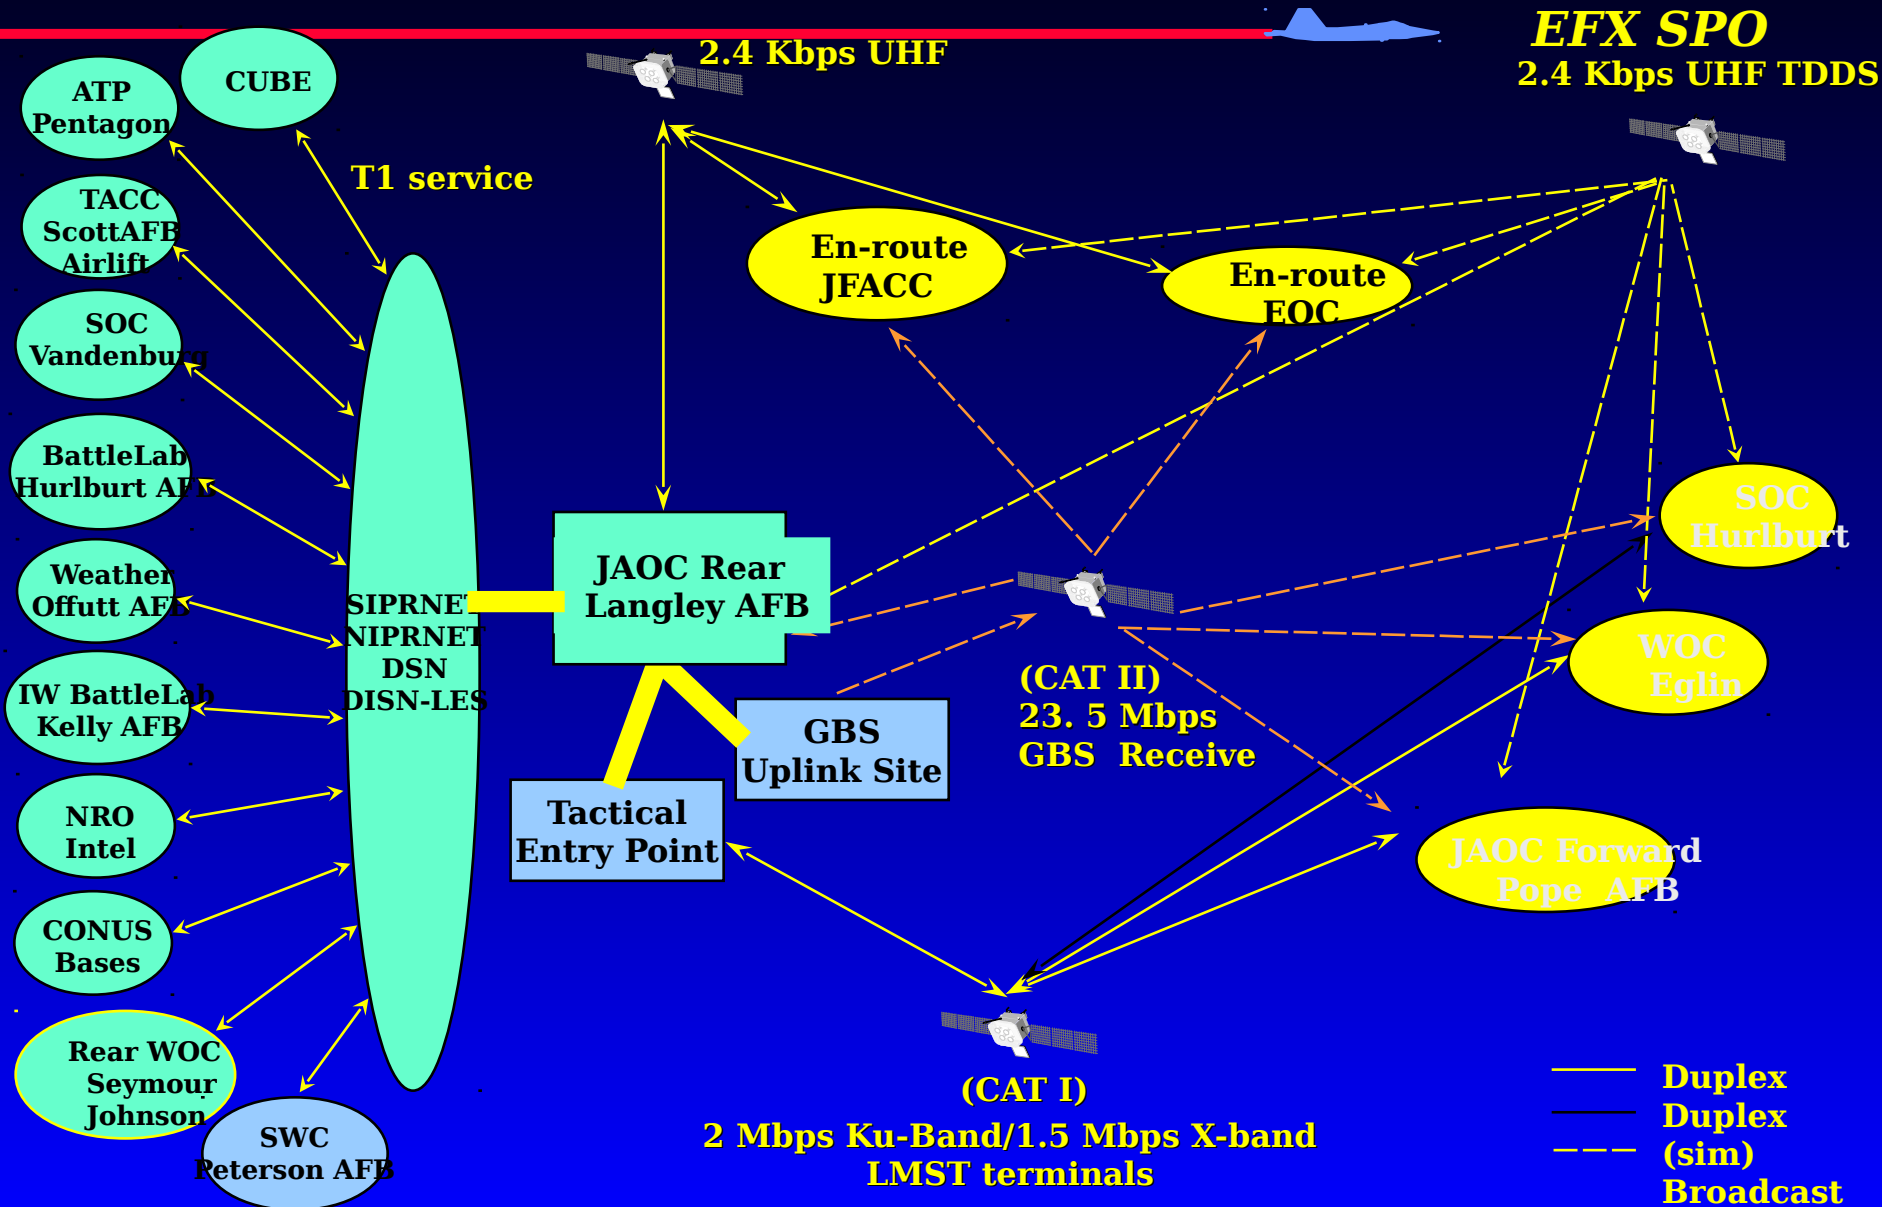

Sensor-to-Shooter Initiatives

Enroute C2 Initiatives

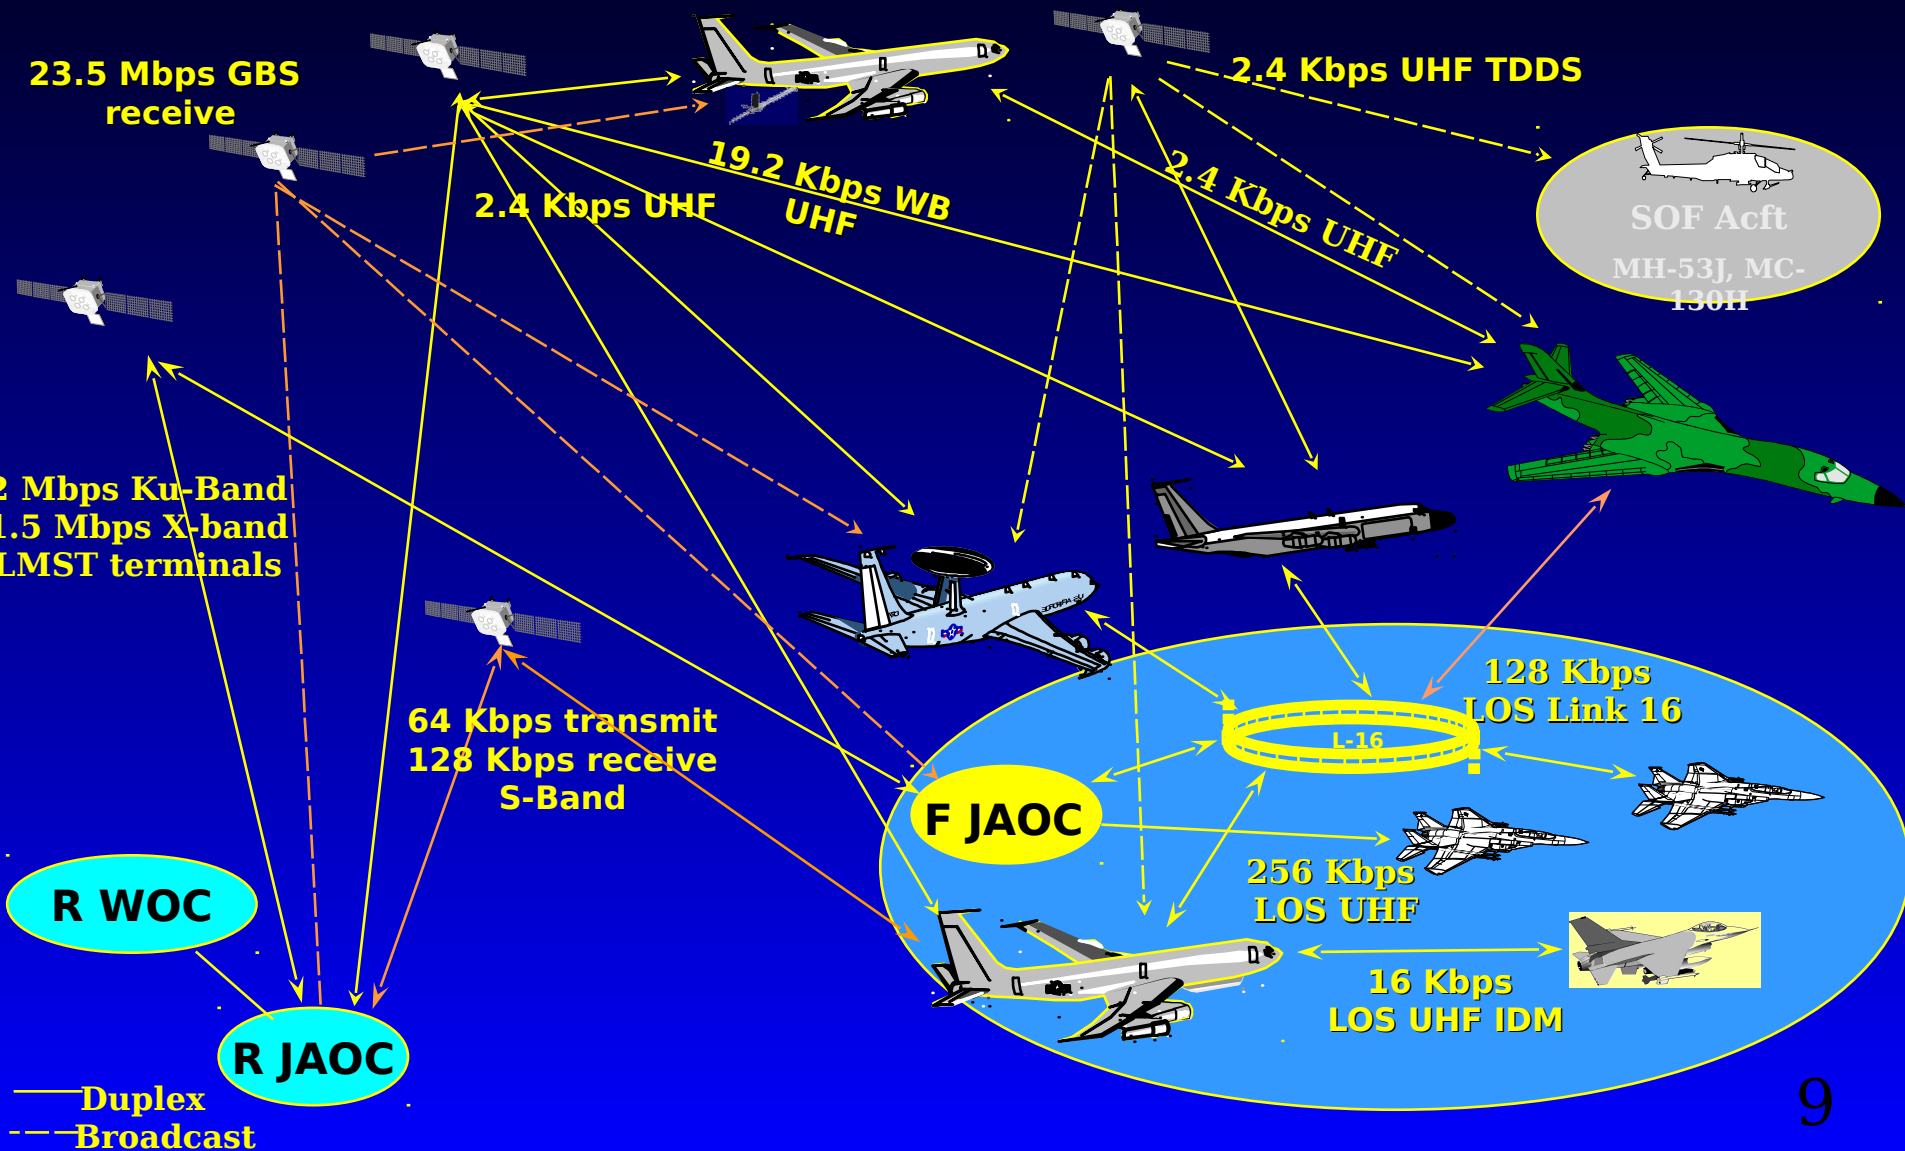

EFX-98 Communication Architecture

Sensor to Shooter Comm Architecture
